Dear Sir:

In response to the Notice of Non-Compliant Amendment (37 C.F.R. 1.121) dated August 18, 2003, applicants resubmit the "Amendments to the Claims" section of the amendment filed on August 11, 2003. "Amendments to the Claims" section now includes the text of all pending and withdrawn claims. Additionally, attached are reprints of the amino acid sequences for human MMP-2 and MMP-9 that were referenced on page 8 (last three lines) of the August 11, 2003, amendment but were inadvertently omitted when the amendment was filed.

Amendments to the Claims are reflected in the listing of the claims which begins on page 2 of this paper.
